REACH, RoHS, SVHC STATEMENT

This is to certify that all films made by Sigma Stretch Film are free of the 174 chemicals listed on the Substances of Very High Concern (SVHC) list last updated in July of 2017 by the European Community REACH Regulation; and are compliant with RoHS requirements. Please see <http://echa.europa.eu/candidate-list-table> for a complete list.

A handwritten signature in black ink, appearing to read "Jeff Garcia", is positioned above the printed name.
