CFIA Statement

To Whom it may concern:

Films supplied by Sigma Stretch Film are not intended nor approved for direct food contact. As a result, Films manufactured by Sigma are not subject to the rules and regulations established by the *Canadian Food Inspection Agency*:

Although our facilities are not inspected or approved to produce food grade films, it should be noted that the materials used to produce our clear and colorless films are approved under FDA 21 CFR177.1520 direct food contact regulations, and these films are considered safe for use as a secondary or tertiary packaging component.

A handwritten signature in black ink, appearing to read "Jeff Garcia", is positioned above the printed name.
