

SIGMA ECOSUPREME

Blown film strength and cling in a lightweight, ergonomic roll.

Pre-stretch technology optimizes film usage, reducing worker fatigue.

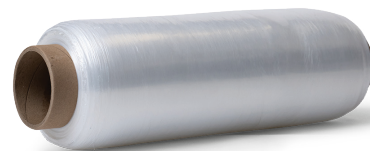

High containment at thinner gauges minimizes plastic consumption.

Damage-proof rolls ensure reliable performance.

Extended core design for easy, applicator-free handling.

Safer, walk-forward application compared to conventional films.

Applications include: cold environments, distribution and grocery warehouse, internal wrapping, boxed products, food processors, hand wrap applications, all load profiles, and bagged products.

Product	Width (mm)	Length (m)	Case Weight (Lbs)	Package	Rolls/Pallet
