

SUSTAIN360

SIGMA SUSTAIN 360 - MACHINE FILM

30% PCR content cast machine film supports sustainability initiatives.

High-speed performance engineered from a proven Sigma formula.

Polypropylene-enhanced formulation provides superior tear and puncture resistance.

One-sided cling prevents pallet-to-pallet adhesion, ensuring clean separation during storage and transport.

Consistent gauge and perfect roll-edge profiles allow for reliable application.

200–250% recommended stretch ensures optimal containment.

Product	Length	Gauge	Roll Weight (LBS)	Rolls/Pallet
500mm
