GDSL Statement	January 1 st , 2023 – Dec 31 st , 2023
Dates Covered:	
Authorized Company Representative:	Brad Blankenship, Technical Manager, Sigma Stretch Film

The Global Automotive Declarable Substance List (GDSL) contains all substances that can be used in the production of automotive parts. Films produced by Sigma Stretch Film are not intended for use as automotive parts nor in their production.

For clarification purposes, clear colorless films manufactured by Sigma are composed entirely of Linear Low Density Polyethylene and depending on the sku may contain polyisobutylene.

Brad Blankenship
