

**SIGMA SELECT PLUS**

Versatile and reliable cast machine film for wrapping a wide range of load types, reducing the need for multiple films.

Economical without compromising strength

Reliable high-speed performance

Superior load stability prevents shifting and damage during transit and storage.

High clarity speeds up product identification and streamlines inventory handling.

One-sided cling eliminates unwanted adhesion, ensuring efficient storage and transport.

Applications include: beverage industry, bagged products, boxed products, paper rolls, general purpose applications, and A/B-load profiles
