

CAST MACHINE FILM

- *Sigma's highest performance one-sided cling cast machine film designed for high speed, challenging applications.*
- *Polypropylene enhanced formulation engineered to minimize tears and puncture propagation.*
- *Ideal for down gauging with Sigma's trademarked Rite-Gauging® methodology.*
- *One-sided cling allows side-by-side storage without pallet-to-pallet adhesion, preventing pallets from adhering together during storage and transportation.*
- *Efficient load containment.*
- *Perfect roll, edge profiles and gauge consistency.*
- *Great for inboard loads where increased stress on load may occur.*
- *100% Recyclable.*
