

BLOWN HAND FILM

- General purpose blown hand film ideal for challenging load profiles.
- Bi-axial molecular orientation provides strong puncture and tear resistance.
- Aggressive cling package designed to minimize film tails and secure.
- Available in a wide range of sizes and gauges.
- Applications include: brick and block, warehouses, transportation industry, food distribution, all hand applications, cold environments, irregular shaped loads, distribution centers, bagged products, and boxed products.
- 100% Recyclable.
