

Σ Sigma Stretch Film®

THE INDUSTRY LEADER

HAND FILM

Premium Cast Film Hand Application System

EXTENDED CORE is a cast co-extruded, premium hand film wound on 1-1/4" cores with 5" extended application handles. No dispensers are required. The X-Core design and light-weight rolls make it easy to use in tight spaces & low places. The wider film web saves time and energy. Loads get wrapped quicker with fewer trips around the pallet.

SIGMA EXTENDED CORE Cast Film

Applications Include:

- Distribution
- Moving and Storage
- Transportation
- Boxed Products

Film Width	Roll Length	Film Gauge	Case Weight	Cases/Pallet	Product Number
20"	1,000'	.80 mil	25.6 lb	48	RSC201080
20"	1,000'	.70 mil	22.4 lb	48	RSC201070
